

# annual REPORT

of the MusicLink Foundation  
Fall 2012

**W**e did it! In March 2012 we accomplished our twentieth anniversary goal by reaching 5000 students through MusicLink, thanks to conscientious recruitment efforts by our wonderful MusicLink coordinators. Linda Dorsey (GA) signed up student 5000 at the MTNA New York convention. We are also determined to add those last few states (3 to go!) to bring all 50 states into the program. We have even reached beyond our borders to see MusicLink youngsters taking lessons in 4 provinces of Canada.

We see a steady rise of interest in MusicLink Playathons in many states, with “kids helping kids” by gathering pledges and performing in shopping malls, sharing music with the community and helping bring music lessons to students in need. It is a win-win event with students of all ages enjoying these special performances for the public. If you would like to bring a Playathon to your community, check our homepage for details or contact Sue Wege (swege71@comcast.net).

The MusicLink Foundation prides itself on its grass roots efforts to use every resource to help our students and teachers. MusicLink relies on the ongoing support of individual contributors who care about seeing children thrive through music lessons. We thank those who met our summer challenge to raise \$27,000 by

Joanne Haroutounian and Linda Dorsey

September 15th to secure funding for the first quarter of the year.

Our ongoing donors are the major funding source for instruments, music, and camp opportunities as well as the vital network that links teachers and students. We face the year with minimal grant support and lots of kids joining our programs, so we ask our donors to respond to this Annual Report, with our thanks for your ongoing support.

**SENIOR AWARDS:** The MusicLink Foundation provided awards to 5 outstanding graduating high school seniors this year. The \$1000 *Senior Award of Excellence* went to **Joshua Millings**, an exceptional pianist who has taken MusicLink lessons with Tamara Slobodkin of Setauket NY for the past 11 years. Joshua currently attends MIT majoring in mechanical engineering. Several Honor Awards of \$500 were awarded to seniors showing excellence in training—**Laura Tobey**, a piano and voice student of Sherry Frush of Abilene TX and **Sarah Grace Barham**, a piano student of Rosita Kerr Mang of Alexandria VA. These MusicLink awards were made possible through the Bridge Endowment Fund.

**LOTS OF NEW STATES:** Thanks to the enthusiastic efforts of our regional coordinators, we added 9 states to the active list this year—Alaska, Delaware, Hawaii, Maine, Michigan, New Mexico, Rhode Island, West Virginia and Wyoming. We thank those new teachers who signed up students they were teaching on partial scholarship to put their state on the map. Now we are looking for teachers in New Jersey, Nebraska, and Arkansas!

**PLAYATHONS GALORE and MORE:** *MusicLink Playathons* sprouted up across the country, with a grand total of \$16,450 contributed through these events to help bring music lessons to promising students in need. Deb Meier, Illinois MusicLink coordinator organized a Clavinova Festival that raised \$533. A playathon in Saint Joseph MO organized by Nathaneal May brought in \$175. Judy Vanesse, MusicLink NE Coordinator pooled Vermont and New Hampshire resources in a playathon that raised \$1,691. Virginia MusicLink had several playathons: The Fairfax-Loudoun Music Fellowship raised \$1,000 and the Northern Virginia Music Teachers

Association raised \$2,426. Sue Wege, Director of Regional Coordinators, continues to amaze us in organizing the Minnesota MusicLink Playathon at the Mall of America that raised \$10,813.

We have seen an outpouring of *Promise to Practice* events from college students in practice rooms at Western Illinois University contributing \$592 to independent teacher studios, and even a single student in New York, Ariana Peterson, who practiced extra hard to raise over \$100 all by herself to help our MusicLink kids.

**20th ANNIVERSARY FUNDRAISER:** We held an online fundraiser from August to September to help raise \$20,000 by mid September to establish firm footing financially for the first quarter of the 2012–13 fiscal year. We have included the donors of this funding in our annual report. Our thanks to the matching donation of \$10,000 by **Bill and Brigid Brakefield** that spurred contributions as well as the generous donation of \$5,500 by the **Weissberg Foundation**, located in Arlington VA.

**CAMP SCHOLARSHIPS:** The MusicLink *Headed to Music Camp* Foundation provides the opportunity for students to attend the music camp of their choice. Our anniversary year saw a banner amount of scholarships—32 students sent to camps across the country with scholarships totaling \$5,252.50. Students attended local summer programs in VA, WI, NH, CO and LA as well as the Un. of MN Bravo String and Keyboard Institute; UW Madison Summer Music Clinic; South Dakota State University All State Music Camp; Un. Southern Utah Piano Clinic.

**TEACHER REIMBURSEMENT & GRASS ROOTS GRANTS:** The MusicLink Foundation provides reimbursement to teachers for student music and event fees. This year, 13 teachers from 8 different states asked for help, totaling \$1,155 in reimbursement grants.

Our *Grass Roots Grant* programs assist new MusicLink programs or projects. This year the foundation provided \$1,350 to the following organizations to promote state and local programs: MN: Minnesota Music Teachers Association—MusicLink Program; DC: Washington DC MusicLink Program; FL: Suzuki Strings of Southern Florida; GA: Suzuki Institute of Augusta.

**BUSINESS PARTNERS:** MusicLink relies heavily on business support at the community level.
